

THE WESTERNER

YOUR COMMUNITY NEWSLETTER FOR WESTERN WEST VANCOUVER.

The Western West Vancouver Residents Association, in conjunction with the Horseshoe Bay Business & Community Association, would like to bring you up to date on what is happening in our community. The H.B.B.C.A. is not holding regular monthly meetings due to a lack of attendance. However, members are more than welcome to attend the monthly meetings of the Western West Vancouver Residents Association which are held:

DATE: THIRD TUESDAY OF EACH MONTH (EXCEPT JULY & AUGUST)

TIME: 7:30 P.M.

PLACE: WEST VANCOUVER YACHT CLUB, 5854 MARINE DR. WEST VAN.

NEXT MEETING: TUESDAY, JUNE 18TH, 2002

Our guest speaker for the June 18th meeting will be our M.L.A. Ted Nebbeling, who will be talking to us about the Vancouver & Whistler Winter Olympic bid. We look forward to seeing you there.

BAY IMPROVEMENTS

We won't go into too much detail on this subject, as you will have all received a flyer in the mail outlining the exciting changes that are being planned for Horseshoe Bay. The fact that we are finally seeing some action happening in the Bay is due in no small measure to the efforts of Doug Leavers (Parks Manager), his staff and the hard-working committee members of the two community associations. Stay tuned.

GLENEAGLES COMMUNITY CENTRE

More good news. Construction on the new "Rec. Centre" is well under way and we are on schedule. This means that, at the present time, the new center will open as planned in early November 2002. An information sheet on the new center has been posted on the notice board outside Dayal's Variety Store on Royal Avenue and Vijay has a few in his store for those of you interested in this exciting new development. An interesting feature of the project is the opening up of Larson Creek.

FERRY UP-DATE

We are still having on-going meetings with representatives of the B.C. Ferry Corporation regarding their expansion program. These meetings are concerned, for the most part, with monitoring the impact that the Ferry Corporation's expansion plan has had on the Bay area. They include such issues as effective landscaping (especially Ron's walk), improved lighting etc. We understand that the plan is on schedule and hopefully it will be finished by year-end. We hope.

COMMUNITY IMPROVEMENT

The old saying that there is strength in numbers still rings true. There is a membership form below, which we would love to have you complete and mail or drop off to us. Our meetings are interesting (as least we think so) and you will meet some nice people. We are getting things done but
